# STATISTICS

OF

# THE STATE OF QUEENSLAND

FOR THE YEAR

## 1955-56

COMPILED FROM OFFICIAL RECORDS

S. E. SOLOMON, Government Statistician

BY AUTHORITY:
S. G. REID, Government Printer, Brisbane

# FOREWORD

Annual volumes of the Statistics of Queensland consist of separate Parts, each dealing with a section of statistics, together with an introductory part which includes a list of contents and an alphabetical index for the whole volume. The volumes were completed up to 1939-40 when World War II intervened.

Some but not all of the Parts have been published for the years 1940-41 to 1952-53. Such issues of the eight annual Parts which are available for these years form separate volumes each of which contains all the issues of a particular Part. Part A, on account of its size, makes two volumes and Parts Bi and Bii form one volume. Title pages for binding with each volume are available. There are no volumes for Parts C and H for these years.

For 1953-54 the volume is complete, containing a list of contents, an index, and eight Parts (A, Bi, Bii, C, D, E, F, and G). Volumes for 1954-55 and 1955-56 contain seven Parts—Part E not being published for these years. Subsequent volumes will contain the eight Parts.

Government Statistician's Office,
Brisbane.

## NOTE.

### STATISTICAL DIVISIONS.

In this Part, marriages, births, and deaths have been shown by statistical divisions. The statistical divisions are groups of Local Authority Areas. Their grouping and details for each area are shown in the tables of births and deaths (Tables Nos. 22 and 32).

In tables of deaths and hospital cases, where dissection into tropical and sub-tropical has been made (Sections 6 and 8), the statistical divisions have been grouped as follows :—

*North of Tropic, Coastal.*—Mackay, Townsville, Cairns, Peninsula, and northern portion of Rockhampton (local authorities of Rockhampton, Broadsound, Fitzroy, and Livingstone).

*North of Tropic, Inland.*—North-Western, northern portion of Far-Western (local authorities of Boulia and Winton), and northern portion of Central-Western (local authorities of Aramac, Belyando, Longreach, and Peak Downs).

*South of Tropic, Coastal.*—Moreton, Maryborough, and southern portion of Rockhampton.

*South of Tropic, Inland.*—Downs, Roma, South-Western, southern portion of Central-Western, and southern portion of Far-Western.

---

Deaths of defence personnel, and of internees and prisoners of war from overseas, were excluded from all death statistics from the beginning of the 1939–1945 War until 30th June, 1947.
